All shipments should be insured by the exhibitor from the time they leave their firm until they are returned from the show. This can be done by adding a "rider" to an existing policy. We are not responsible for shipments left in the booth by the exhibitor. We will count and ship pieces as we remove them from the exhibit hall. CSS shall not be responsible for damage to uncrated materials improperly packed, for any concealed damage, for loss or theft of materials after they have been delivered to the booth, or before we have picked them up for loading out of the exhibit hall. At the close of the show, where carriers fail to pick up or refuse to accept shipments, CSS reserves the right to re-route such shipments where no destination is provided, or material may be hauled to a warehouse pending advice from the exhibitor and they will be charged accordingly for this service. No liability will be assumed as a result of such re-routing or handling. The foregoing rates do not include any erection, uncrating, unskidding, dismantling, crating, skidding to booth or blocking or bracing cars. Convention & Show Services, Inc. serves as a contractor only and abides by the hours scheduled by the Exhibit Facility and sponsoring association.
