

CARPENTER LABOR ORDER

Convention & Show Services can provide skilled carpenter labor for the install and dismantle of your display. The minimum charge is one (1) hour, per laborer, labor thereafter is charged in half (1/2) hour increments. Depending on the requested date and time, you could be responsible for up to a four (4) hour minimum charge per laborer. Start times cannot be guaranteed, however, every effort is made to meet all requests. CSS reserves the right to dispatch all labor calls based upon availability of labor and the order that the requests are confirmed. No work shall be started until you check in at the service desk on show site to confirm the labor order unless you have ordered supervision services. Upon completion of work an exhibitor representative must return to the CSS Service Desk to sign the completed work order. There will be no exceptions unless other arrangements are made with CSS. Once the work order is signed, no adjustments will be made.
